Education: Bachelor of Arts, Central Michigan University, majoring in Broadcast and Cinematic Arts

My time at L'Anse Creuse High School-North

“My time at L'Anse Creuse High School-North played a big part in future career choices. Through Ms. Kozyan's newspaper and journalism classes, I developed my passion for writing and covering the news. I love what I'm doing, and many of the basic lessons I learned in high school still apply to my job today.”
