

Wellness Policy

The Superintendent shall prepare and implement administrative guidelines and SMART Goals, in accordance with applicable law, with input from the District's Wellness Committee, that promote students' health, nutrition, well-being, and regular physical activity as part of the learning environment, in accordance with applicable laws, rules and regulations. The Principal of each school building shall have the authority and responsibility to ensure that each school building complies with the policy.

The District will inform the public annually about the wellness policy, provide a link to the wellness policy online, review the wellness policy at least triennially, and provide information to the public on how they can participate on the wellness committee and assist with the development, implementation and periodic review and update of this policy.
