

First Grade Music Curriculum

Students will have access to a balanced, comprehensive, and sequential program of study in music which will, whenever possible, provide a meaningful enhancement of the classroom.

The student will:

- Sing on pitch, in rhythm, and with expression
- Use movement to demonstrate beat, style, and mood
- Use classroom instruments to play rhythmic patterns and create sounds to accompany poems or stories
- Read quarter note, two eighths, and quarter rest
- Recognize and identify classroom instrument sounds and instrumental families of the orchestra
- Experience examples of music from various cultures and composers
