New this Year: **Custom Sports Mouth guards**

Custom sports mouth guards will be offered at cost by Dr. James J. Karam, D.D.S., a member of the Academy for Sports Dentistry. Studies have shown that custom mouth guards fitted to your child's teeth can prevent head injuries such as concussions as well as dental injuries. Mouth guards can be personalized to support your school colors. Cost is \$55. Dr. Karam will be on site at physicals to answer any questions that you may have and to schedule an appointment for mouth guard fitting.
