### School Annual Education Report (AER) Cover Letter

August 22, 2011

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2010-2011 educational progress for the Green Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Green Elementary School Principal, Eileen Hielscher for assistance.

The AER is available for you to review electronically by visiting the following web site [www.lc-ps.org](http://www.lc-ps.org) or you may review a copy from the office at your child's school.

For the 2010-2011, Green Elementary School made Adequate Yearly Progress (AYP) in English language arts and mathematics. While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort.

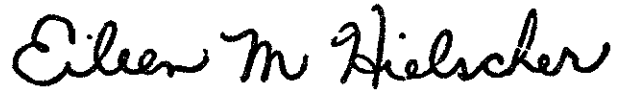

State law requires that we also report additional information.

1. The process for assigning pupils to Green Elementary School can be found on the district web page [www.lc-ps.org](http://www.lc-ps.org).
2. Please review our School Improvement Plan in our Annual Report also found on the district web page.
3. Our Core Curriculum can also be found on the district web pages with our Annual Report.
4. The aggregate student achievement results for any local competency tests are reported in our Annual Report found on the web page.
5. The number and percent of students represented by parents at Parent Teacher Conferences is found in our Annual Report on the web page.

We are very proud of our student's achievements at Green Elementary School.

The staff works very hard to see that all children make progress, as you can see by our results in our Annual Report. This school is successful because of the efforts of our staff and the support of our parents.

Sincerely,
