

September 2011

Dear Parents/Guardians:

Welcome to the 2011-2012 school year! I hope you enjoyed our beautiful Michigan summer and are ready for what promises to be another exciting year in L'Anse Creuse Public Schools.

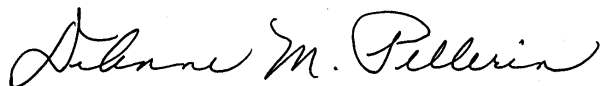

I am certain you are aware that the safety and security of students and staff remains our greatest concern. For that reason, we ask your assistance in enforcement of the following procedures and practices. Please be reminded:

- ALL visitors (including parents/guardians) are required to *report to the school office* upon entering the building.
- Persons entering the building are required to enter through the *front entrance*; all other doors will be locked.
- Information on your child's enrollment/emergency sheet needs to be kept current. Students will *only* be released to individuals cited on the sheet. Phone numbers at work and home need to be kept current as well.
- Be prepared to provide *picture identification* when picking a child up from school, at least until the office staff becomes familiar with names, faces, and relationships.

The purpose of this reminder is not intended to alarm anyone, but rather to continue to provide a safe and secure environment for our students, staff, and community. By working together, we can continue to keep our schools safe places in which your child and you feel confident, safe and secure.

Your continued cooperation and support with regards to these matters is most sincerely appreciated.

Sincerely,

DiAnne M. Pellerin, Ed.D.
Superintendent
