Spanish Students Become Docents

Spanish IV students from Mrs. McCarron's class put on an International Art Exhibition during the week of November 14- 18th. Students researched the work of three prominent Spanish and Mexican artists. Then, the school rented a traveling art exhibit featuring each artist. The murals and paintings were hung in the Commons where parents, Spanish Club members, 5th Grade students from Graham Elementary, and a Senior Citizen group were able to enjoy a guided tours provided by the Spanish IV "docents".

The docents were able to help analyze the works of art as well as provide historical information. In addition, the docents taught some Spanish vocabulary words related to the works of art to the guests. After the tours, guests enjoyed Churros, a traditional Spanish dessert, and were able to listen to Spanish music.

The Cast of "Cheaper By the Dozen" enjoyed two nights of record-breaking audiences in November. We are looking forward to our production of "Comedy of Errors" in February. Information about Drama Club can be found on Facebook:

The LCHS German Club has been active this fall. Students started the year by making crafts: hedgehogs, a traditional German animal. Brown paint and toothpicks made for a prickly afternoon. The annual pumpkin carving party was a hit—many students gladly took home pumpkin seeds to roast. On October 25 German Club students participated in laser tag. Some even stayed for a third game.

Other events include the club's participation in the LCHS Lip Dub video project, the field trip to Frankenmuth and making gingerbread houses in December.
