SkillsUSA Regional Winners for Advertising Design

On February 13, 2010, **Melissa K.** (LCHS-NORTH) competed in the SkillsUSA Regional Contest in **Advertising Design**. Melissa represented the Visual Imaging Technology program at the Frederick V. Pankow Center.

Students in the competition were eager to show off their skills learned in the Visual Imaging Technology program. The event was hosted by Macomb Community College and all the students put forth their best efforts. The contestants spent four hours creating a magazine cover, both traditionally; markers, colored pencils, layout paper, etc., and electronically; using both Photoshop and InDesign software. At the end of the four hours (and an hour for judging), our very own **Melissa K.** reigned supreme, winning the 1st Place **Gold medal**.

MST Achievement Award Winners

The MST program is proud to present our second semester recipients of the MST Achievement Award. The award is in recognition of those students in the MST program who have earned a B or higher in both their mathematics and science classes at the F. V. Pankow Center. In addition, those students who remain on this list for all four marking periods will receive a pin to honor their accomplishments.

The students whose names are listed below have reached this goal for the second marking period of the 2009-2010 school year. Congratulations and keep up the great work!
