# PLANNING YOUR EVENT

## A few things to keep in mind...

- What type of event will you be holding? We can arrange service for business meetings, workshops, parties, and promotional events.
- What is your budget? We will be happy to work with you in planning an event which meets all your needs.
- How many guests will attend?
- Where and when will your event be held? We are able to deliver to most locations. However, there may be an additional charge for events that are delivered to off-site locations. There may also be an extra charge for after hours events.
- Do you need extras to enhance your events? We would be happy to assist you in providing linens, flowers, or other personal touches that will make your event an unforgettable one.
- Please provide us with enough notice so that we may properly plan your event. Two weeks notice is appreciated for large events (75 people or more). Three to five days notice is needed for smaller events. A minimum of 48-72 hours notice is required for all events.
- Cancellation policy we must have 24 hours notice if an event is to be cancelled. We realize that some things are beyond your control. If there is a snow day, or if school is cancelled, we will assume that your event is also cancelled. You may still be billed for any perishable foods that have been prepared, or for special purchase items. We will work with you in order to minimize this expense.
- Placing an order: You may place an order over the phone by calling [586-783-6550](tel:586-783-6550) speak to Tanya or Teresa. You may place an order via L'Anse Creuse Public Intranet under forms/food & nutrition services. You may place an order by faxing in the form at the end of this booklet to 586-783-6557.
