

August 22, 2011

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2010-2011 educational progress for your child's school. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact the principal for assistance.

The AER is available for you to review electronically by visiting the following Web site www.lc-ps.org and click on your school. Or you may review a copy from the principal at your child's school.

The state requires L'Anse Creuse to report when a school does not make AYP.

School	Reason for not making AYP	Key actions underway to address the issues
Pellerin Center	Participation	Incentives for student participation

The state also requires that we report the following information.

1. The process for assigning pupils to each school is based on board approved boundary alignments. Students living within the district boundaries that would like to attend a different school than his/her current assignment can seek a change in assignment through the internal schools of choice program.
2. The School Improvement Plan goals and strategies are listed in the School Annual Report.
3. L'Anse Creuse Public Schools offers specialized learning opportunities to its students. A detailed description can be found on the District's Annual Report.
4. LCPS' core curriculum aligns with state requirements. A copy of the core curriculum can be requested in writing to the: Office of Curriculum & Instruction, 36727 Jefferson Avenue, Harrison Township, MI 48045.
5. The aggregate student achievement results for the Michigan Educational Assessment Plan (MEAP) and/or the Michigan Merit Exam (MME) can be accessed at: www.michigan.gov/aer. For a hard copy of this data, please contact the: Office of School & Community Relations, 36727 Jefferson Avenue, Harrison Township, MI 48045.
6. Parent participation in parent/teacher conferences can be located on the School's Annual Report.
7. The number and percent of post-secondary enrollments (dual enrollment), number of AP courses available, taken and passed, can also be viewed on the School's Annual Report.

L'Anse Creuse is proud of the progress it continues to demonstrate as students find success in their academic endeavors. We continue to research and implement best practices to ensure every student receives the quality education L'Anse Creuse Public Schools is known to provide.

Sincerely,

A handwritten signature in black ink that reads "Michelle Irwin". The signature is written in a cursive, flowing style.

Michelle Irwin
Sr. Director for Community Relations & Programs
