

Project Recycled Band Instruments

If you happen to have any band instruments that are no longer being used and would like to donate them to L'Anse Creuse Public Schools, we would be happy to take them off your hands! Former L'Anse Creuse Band Director, Steve Bergmann, is volunteering his time and expertise to recondition "slightly used" instruments that will be made available to L'Anse Creuse band students who may have difficulty leasing or purchasing an instrument at this time. This is a great opportunity to clear some space in your home, basement or garage, support music education in our schools, and help a child.

We are looking for the following instruments:

Flutes

Percussion/Drums

Clarinets

Baritones

Trumpets/Cornets

Saxophones

Trombones

To make a donation, please contact Paula Rose in the Office of School and Community Relations by either email (rospau@lc-ps.org) or phone (586.783.6300 ext. 1214) and provide the following information:

Person to contact: _____

E-mail address: _____ *Home Phone:* _____

Cell phone: _____

Type of Instrument: _____

Donated instruments will be the property of L'Anse Creuse Public Schools and loaned to students throughout their band studies.

Mr. Bergmann will contact you regarding the donation. A receipt for the donation to L'Anse Creuse Public Schools is available.
