

Parent Involvement Policy

Highlights of the policy:

- The board policy was developed through a process involving parents and administrators. Below are highlights of this policy:
 - Provide opportunities for families to participate in the education of their children through a variety of roles. In L'Anse Creuse, we welcome your participation in parent involvement activities from preschool through graduation.
 - Provide opportunities to enhance parent's/guardian's capacity to work with children at home on school learning.
 - Provide ongoing communication between school and parents/guardians.
 - Provide professional development opportunities for teachers and staff to enhance their understanding of effective parent/guardian involvement strategies.
