

## Develop and adopt an exemplary professional development model

### Strategies implemented:

- Increased leadership development training, including the expansion of the Summer Leadership Retreat
- Increased participation in the Aspiring Leaders Academy
- Restructured Day implemented to provide quality and consistent professional learning communities

- Expanded choice in-service day
- Focused conferences to the 4 Rs: Rigor, Relationship, Relevance and Rethinking
- Provided teacher leadership roles K-12
- Increased clerical professional development opportunities
- Provided focused professional development for noon aides
- Increased professional development for the transportation department
