

Implement programs and instructional strategies to meet the diverse needs of students and families

Rendering of the DiAnne M. Pellerin Center

Strategies implemented:

- Implementation of Response to Intervention
- Implementation of Secondary Education Re-thinking and High School Reform planning
- Increased non-traditional program offering for students in sixth- through ninth-grades
- Groundbreaking on the DiAnne M. Pellerin Center, home of alternative education

A promotional poster for a Summer Technology Camp. The background is blue with a glowing light effect. Text includes: "Classes held at: Frederick V. Pankow Center (Gratiot, south of M-59)", "Summer Technology Camp", "Register early, classes seat only 20 students", "JUNE 23-27", "SPONSORED BY: L'Anse Creuse PUBLIC SCHOOLS", and "For camp information, call (586) 783-6500, Ext. 1006 www.lc-ps.org". At the bottom, it says "\$50 one class • \$85 two classes • Open to all current 3rd-grade through 8th-grade students". There are several small inset photos showing students working on computers and in a classroom setting.

- Introduction of the new International Academy of Macomb opening in the fall of 2008
- Increased number of dual enrollments
- Planning of the Early Childhood Consortium began
- Increased Summer Learning programs
- Implementation of the Summer Technology Camp
