

Seek and secure alternative funding sources

Strategies implemented:

- Capital outlay savings to district of \$1.5 million through 2005 Bond management
- Decreased energy use, saving over \$100,000
- Increased efficiency in food service through contracted services by Sodexo
- Increased revenues to adult and alternative education through new grant monies
- Increased community involvement and additional revenues through contracted building use agreements
- Partnered with the L'Anse Creuse Foundation to provide after-school study support for high school students
- Increased Schools of Choice applications
- Reduced publication costs utilizing existing digital options
