L'Anse Creuse New Briefs

CLINTON TWP., Mich. – The L'Anse Creuse High School – North Crusader Nation Theatre will open their Spring play, “Peter and the Starcatcher,” on Thursday, April 11 at the John Armstrong Performing Arts Center at 7:00 pm. The play will run through the weekend, with a show on Friday, April 12 at 7:00 pm and on Saturday, April 13 at 3:00 pm.

The play follows the adventures of Peter Pan, Tinkerbell and Captain Hook before the events of J.M. Barrie’s original “Peter and Wendy,” providing a background for the beloved characters. The show is open to the public, and tickets can be purchased at <https://www.showpass.com/peter-and-the-starcatcher/>. Tickets are \$10 for adults and \$7 for students and seniors.

CLINTON TWP., Mich. – The Frederick V. Pankow Center will host their annual College Night on Tuesday, April 23, 2024 from 6:00 pm to 7:30 pm. This is a free event intended to provide 10th – 12th grade students the opportunity to talk face-to-face and learn about their post-secondary options, admissions and more.

This year, the Pankow Center will host over 50 different colleges, universities, and technical schools, as well as representatives from different branches of the military. Student attendees can register for a barcode through strivefair.com, which they can scan with colleges to receive more information about the school, offerings, and more.

CLINTON TWP., Mich. – The annual Cardboard Regatta is back this spring at both L'Anse Creuse High Schools. The L'Anse Creuse High School – North regatta will take place on April 17 at 7:00 pm, and the L'Anse Creuse High School regatta will take place on April 25 at 6:00 pm.

This fun event is the culmination of work done by L'Anse Creuse physics students, who use the material they have learned over the semester to build a cardboard boat able to withstand three races in the school’s swimming pool.
