## Pankow Career Night

**CLINTON TWP, Mich.** – The Frederick V. Pankow Center's annual Career Night is Wednesday, March 20 from 6:30 pm to 8:00 pm and will host an impressive line-up of over 70 career participants representing their industries, occupations and career paths. This event is free and open to students of all ages.

Career Night is a great opportunity for high school students to explore different fields and speak with real professionals about their career journey, field qualifications, and more. Students are encouraged to ask questions, make connections, and engage with the provided materials, displays, and activities.

Each of the 70+ participants will have a table with information and resources regarding their field and the companies they work for. Each representative has been organized into seven categories – Arts and Communications, Business Management, Marketing, Sales and Information Technology, Engineering/Manufacturing, Construction Trades and Industrial Technology, Military Forces, Health and Veterinary Sciences, Human Services, and Natural Resources, Food and Agriscience.

The Pankow Center offers a wide variety of classes and programs dedicated to teaching students about careers and pathways available to them once they leave high school. Career Night blends the classroom curriculum being taught to students with the real-world experiences and resources of professionals. L'Anse Creuse Public Schools is dedicated to preparing students for the future, and are eager to share events like Career Night with the community.

For more information, please contact Katelyn Hill at [hillka@lc-ps.org](mailto:hillka@lc-ps.org).
