

Welcome to Honors 9 English

I'm so glad you are here! First, I want to congratulate you on finishing a busy year of your last year in middle school! I want you to have a wonderful summer with all the beauty of a break, whatever that looks like for you. Secondly, I wanted to introduce myself. I will be your teacher in 9th grade Honors English and my name is Amy Trudeau. I am just as excited as you are for a leisurely summer break! Part of a great summer break to me is reading some amazing books, which brings me to your *required* summer work for Honors 9 English. This summer, you will choose one book to read from the list of books I will provide for you. The second step is to complete a double-entry journal and graphic organizer about your book. The third step is to be ready to discuss your book and work with it during the first week of school. I have plans for us!

Your book list, double-entry journal, and graphic organizer are in the Honors 9 English Schoology Group you will want to join. Log onto Schoology, and join our **GROUP** by going to Groups-My Groups-Join Group-and enter the access code:

R455-WD5W-BTWFV

Join the Schoology Group by June 16th, so you can get the book list and figure out which book to read.

Summer work is due **on the first day of school**.

I hope that once you join the Schoology Group, all questions you may have will be answered, so check there first. However, if you have more questions, don't hesitate to reach out to me at trudeam@lc-ps.org.

See you in September!
