Our Mission
We provide high-quality, patient-centered health care that is respectful, compassionate & accessible to all members of our community.

Our Vision
Community First Health Centers will be recognized as an outstanding employer and provider offering comprehensive, integrated health and human services with an innovative and dynamic approach to improving the quality of life for our community.

Here to put your family's oral health & hygiene FIRST!
We want to be your partner in maintaining your healthy white teeth. We provide preventive dental services, such as teeth cleanings, and specialty care, such as dental crowns. We offer a wide range of family dental services. Including:

- Preventive care
- Teeth cleanings
- Dental crowns

We provide our patients dental and oral health. We provide quality available for those who have a sliding fee program and Medicare, Medicaid and insurance. Welcome to our whole family! We welcome most commercial insurers.

Our highly qualified dental providers are available.

We can stay in hip-top condition and routine visits with your dentist, your teeth combine good oral hygiene with eating right to achieving optimal oral health. When you find a reliable dentist is just one step.

The effort of an endogenous your prevention to provide you the care you need in the area of your costs and risks as low as possible, but the cost and benefits as high as possible. We keep your health and wellness at home. We keep our preventive dental services are designed for examining and cleaning teeth that can be hard to reach on your own. Our team also provides preventive dental services, such as teeth cleanings.
