STUDENT EDUCATION TECHNOLOGY ACCEPTABLE USE
AND SAFETY AGREEMENT

To access and use the District's Education Technology, including a school-assigned e-mail account and/or the Internet at school, students under the age of eighteen (18) must obtain parent permission and sign and return this form. Students eighteen (18) and over may sign their own forms.

Use of the Education Technology is a privilege, not a right. The District's Education Technology, including its Internet connection and online educational services, is provided for educational purposes only. Unauthorized and inappropriate use will result in a cancellation of this privilege and possibly further disciplinary action.

The Board has implemented technology protection measures, which protect against (e.g. block/filter) Internet access to visual displays/depictions/materials that are obscene, constitute child pornography, or are harmful to minors. The Board also monitors online activity of students in an effort to restrict access to child pornography and other material that is obscene, objectionable, inappropriate and/or harmful to minors. Nevertheless, parents/guardians are advised that determined users may be able to gain access to information, communication, and/or services on the Internet that the Board has not authorized for educational purposes and/or that they and/or their parents/guardians may find inappropriate, offensive, objectionable or controversial. Students accessing the Internet through the school's computers assume personal responsibility and liability, both civil and criminal, for unauthorized or inappropriate use of the Internet.

Additionally, I accept responsibility for communicating to my child guidance concerning his/her acceptable use of the Internet - i.e., setting and conveying standards for my daughter/son to follow when selecting, sharing and exploring information and resources on the Internet. I further understand that individuals and families may be liable for violations.

Letter of Understanding – Full Day Preschool

Child’s Full Name __________________________________________

Parents: Please initial next to each statement and sign at the bottom.

______ I understand throughout the school year, L’Anse Creuse Public Schools use photography as well as other audio/visual equipment to record various school and classroom activities which may appear in district publications, newspapers, Internet or air on community access cable. If I do not want my child recorded, I will fill out a Media Release Denial form available from the Center Director.

______ I understand tuition is due weekly. Payments are due by Friday of the week before my child attends, before 5:00 p.m. Failure to make payments in a timely manner may result in my child being withdrawn from the program. I will consult with the Director if special financial arrangements become necessary. Families are given one sick/vacation day based on the scheduled number of days attending each week. Sick/vacation days may be taken with appropriate notice to the teacher or Center Director. I understand a late payment penalty fee of 5% will be assessed to the current payment due if my weekly payment is received after 5:00 p.m. each Friday. You will not be charged on days or holidays the district has scheduled off and will be credited for weather-related days declared by the district.

______ I understand that I will be billed for the set schedule I provide to the center director. If I need to change my child’s schedule, written notice of this change will be provided to the center director with at least two weeks’ notice. I realize schedule changes may not always be possible. I will also provide the Center Director with at least two weeks’ notice if I have to drop my child from the program.

______ I agree to pick my child up on time at the end of each class and understand a late pick-up penalty of $20 per ¼ hour may be imposed. Chronic or habitual late pick-ups may result in my child being dropped from the class.

______ I understand the center maintains a licensing notebook of all licensing inspection reports, special investigation reports and all related corrective action plans. The notebook will be available to all parents for review during regular business hours. Licensing inspection and special investigation reports from the past two years are available on the Bureau of Children and Adult Licensing website at www.michigan.gov/michildcare.

______ I understand whenever L’Anse Creuse Public Schools close for inclement weather, the Full Day Preschool is also closed.

______ In order to keep the overall tuition cost affordable to everyone, parents are asked, throughout the year, to donate miscellaneous classroom supplies. This is strictly voluntary although greatly appreciated. Examples may include: soft tissues (i.e. Pufts, Kleenex), absorbent paper toweling (i.e. Bounty), paper plates, napkins, 5 oz. cups, wet wipes, etc. Teachers will communicate wish list items throughout the year, as needed.

______ I understand if student enrollment in the Full Day Preschool does not meet minimum obligations, it may be subject to cancellation. Every effort will be made to meet the needs of families.

______ The child I have registered for the Full Day Preschool will turn three years old by September 1st.

______ I understand any volunteer in the Full Day Preschool will be asked to sign a Volunteer Regulations Form, provided by L’Anse Creuse Public Schools, distributed by the classroom teacher.

______ Parent Handbooks are available to download at www.lc-ps.org, Schools, Burdi & Early Childhood Center under Quick Links.

______ I understand the staff will make families aware of food allergies within a classroom space. Treats donated for celebrations must be commercially prepared, with a nutrition label, not homemade.

______ I understand the Full Day Preschool does not provide lunch. I realize it is my responsibility to provide lunch for my child and will do so by sending one with him/her to the center. I give permission to the staff at the Full Day Preschool to serve this to my child.

______ I understand my child will be exposed to sunlight while playing outside. It is my responsibility to provide sunscreen/insect repellent. Additionally, it is my responsibility to give written permission to the Full Day Preschool to apply sunscreen/insect repellent. This permission form may be obtained from the classroom teacher and/or the Center Director.

WHAT IS A CONCUSSION?

A concussion is a type of traumatic brain injury that changes the way the brain normally works. A concussion is caused by a fall, bump, blow, or jolt to the head or body that causes the head and brain to move quickly back and forth. A concussion can be caused by a shaking, spinning or a sudden stopping and starting of the head. Even a “ding,” getting your bell rung,” or what seems to be a mild bump or blow to the head can be serious. A concussion can happen even if you haven’t been knocked out.

You can’t see a concussion. Signs and symptoms of concussions can show up right after the injury or may not appear or be noticed until days or weeks after the injury. If the student reports any symptoms of a concussion, or if you notice symptoms yourself, seek medical attention right away. A student who may have had a concussion should not return to play on the day of the injury and until a health care professional says they are okay to return to play.

IF YOU SUSPECT A CONCUSSION:

1. SEEK MEDICAL ATTENTION RIGHT AWAY – A health care professional will be able to decide how serious the concussion is and when it is safe for the student to return to regular activities, including sports. Don’t hide it, report it. Ignoring symptoms and trying to “tough it out” often makes it worse.

2. KEEP YOUR STUDENT OUT OF PLAY – Concussions take time to heal. Don’t let the student return to play the day of injury and until a health care professional says it’s okay. A student who returns to play too soon, while the brain is still healing, risks a greater chance of having a second concussion. Young children and teens are more likely to get a concussion and take longer to recover than adults. Repeat or second concussions increase the time it takes to recover and can be very serious. They can cause permanent brain damage, affecting the student for a lifetime. They can be fatal. It is better to miss one game than the whole season.

3. TELL THE SCHOOL ABOUT ANY PREVIOUS CONCUSSION – Schools should know if a student had a previous concussion. A student’s school may not know about a concussion received in another sport or activity unless you notify them.

SIGNS OBSERVED BY PARENTS:

- Appears dazed or stunned
- Is confused about assignment or position
- Forgets an instruction
- Can’t recall events prior to or after a hit or fall
- Is unsure of game, score, or opponent
- Moves clumsily
- Answers questions slowly
- Loses consciousness (even briefly)
- Shows mood, behavior, or personality changes

CONCUSSION DANGER SIGNS:

In rare cases, a dangerous blood clot may form on the brain in a person with a concussion and crowd the brain against the skull. A student should receive immediate medical attention if after a bump, blow, or jolt to the head or body s/he exhibits any of the following danger signs:

- One pupil larger than the other
- Is drowsy or cannot be awakened
- A headache that gets worse
- Weakness, numbness, or decreased coordination
- Repeated vomiting or nausea
- Slurred speech
- Convulsions or seizures
- Cannot recognize people/places
- Becomes increasingly confused, restless or agitated
- Has unusual behavior
- Loses consciousness (even a brief loss of consciousness should be taken seriously)

HOW TO RESPOND TO A REPORT OF A CONCUSSION:

If a student reports one or more symptoms of a concussion after a bump, blow, or jolt to the head or body, s/he should be kept out of athletic play the day of the injury. The student should only return to play with permission from a health care professional experienced in evaluating for concussion. During recovery, rest is key. Exercising or activities that involve a lot of concentration (such as studying, working on the computer, or playing video games) may cause concussion symptoms to reappear or get worse. Students who return to school after a concussion may need to spend fewer hours at school, take rests breaks, be given extra help and time, spend less time reading, writing or on a computer. After a concussion, returning to sports and school is a gradual process that should be monitored by a health care professional.

Remember: Concussion affects people differently. While most students with a concussion recover quickly and fully, some will have symptoms that last for days, or even weeks. A more serious concussion can last for months or longer.

MILITARY CONNECTED SURVEY

Attention, all families: Did you know it is estimated that 14,000 Michigan children have parents who are currently actively serving in the military? To this date, only 2,500 children are identified as military connected. In order to better serve our children and families we would like to identify our military connected children. There are resources we can provide to the children of our military service men and women.

DEFINITION OF MILITARY CONNECTED CHILDREN
