

Hello all,

My husband, Marc Shea, and I are the Senior Class Sponsors at LCHS. We are currently tasked with the challenging job of planning a Senior Prom during a Pandemic. It is clear that a traditional dance at a hall will not be possible for us this year, so we are trying to plan an outdoor event at the school on the football field.

We are hoping to appeal to students in all their various situations. We know that some will want to dress up like a traditional prom. Some will not have the money or desire. Others will be concerned about safety. We hope to provide an event that allows for dressing up, dressing casually, dancing, other activities such as corn hole, door prizes, and a Mock Election Award Ceremony. Most importantly, we are hoping to make it **FREE** to all senior students.

In order to do this, we are trying to raise some funds to help make this possible. We are asking the parents and students to reach out to any local businesses you might know of who might be willing to donate goods or services to our raffle. Every little bit helps. **We are asking that the donations are turned in to Marc or Lisa Shea by March 15, 2021 so we can arrange for the ticket sales.**

Some ideas include, but are not limited to:

- Sporting events
- Restaurants
- Movies
- Gaming
- Spas
- Travel vouchers
- Hotel vouchers
- Amazon, Netflix, Hulu gift cards, Best buy
- Grocery store gift cards (Walmart, Target, Meijer, Kroger)
- Lottery tickets
- Photography gift certificates
- Entertainment such as CJ Barrymore's, Metro Beach, Mini golf, waterpark passes
- Membership to...Detroit Zoo, a meal service (like Hello Fresh), a gym
- Desirable items for students going away to college (mini fridge, microwave, other clever ideas)
