

# SWE-Detroit High School Events!

Join us for the exciting Spring 2022 High School **virtual** events below! Events are open to **all** high school students. Please email Haley Antoine ([haleylantoine@gmail.com](mailto:haleylantoine@gmail.com)), SWE-Detroit High School Outreach Chair, with any questions!

- **SWE-D's Virtual High School Mentorship Program** (Now through May 2022) Are you interested in getting advice about majoring in and having a career in STEM? [Sign-up for SWE Detroit's High School Mentorship Program!](#) You will meet at least 3 times virtually with a STEM professional from companies like with backgrounds in mechanical, electrical, computer, biomedical, civil, structural, and aerospace engineering, supply chain management and more! You'll also be invited to all the events below!
- **Starting a SWENext Club at Your School** (3/22, 7-8PM EST) – Learn about what you can do in a [SWENext Club](#) and how you can start one at your school or in your community! Parents and educators are welcome to attend!
  - **Registration:** <https://forms.gle/cPRWiYirJMewzV5m9>
- **Navigating a Male-Dominated STEM World Panel** (2/26, 7-8pm EST) – Join a panel of inspiring women in engineering who are breaking the glass ceiling everyday!
  - **Registration:** <https://forms.gle/e5wniX8kKCu6dRTeA>
- **Careers in Technology and Automotive** (3/6, 5-6pm EST) – Join engineers from [Ford](#), [General Motors](#), [Bosch](#), and [Stellantis](#) to learn about their awesome careers!
  - **Registration:** <https://forms.gle/CXEcMhP7mj535XEs6>
- **Engineering Connections** (4/6, 6-7:30pm EST) – Learn about the power of networking and to practice your skills with professional female engineers and fellow high schoolers who are passionate about STEM!
  - **Registration:** <https://forms.gle/3XBGusNKdojwgUTV6>
- **College Considerations** (4/24, 6-7pm EST) – Learn about some of the criteria you might want to consider while developing your college list and ask our alumni panelists from the [University of Illinois at Chicago](#), [Ohio State University](#), [University of Iowa](#), [University of Michigan](#), [Valparaiso University](#), [Marquette University](#), [Cornell University](#), and more any questions on your mind!
  - **Registration:** <https://forms.gle/6qSaW1ndxm5JadQY9>
- **Be that Bioengineer!** (5/1, 4-6pm EST) - Learn about the components of a cell membrane and engineer your own cell surface proteins. (Registration will close 4/24 to allow for enough time for supplies to ship.)
  - **Registration:** <https://forms.gle/ommrQkP4rxF5gHiS7>
- **College Resumes and Letters of Recommendation** (5/9, 8-9pm EST) – Learn about how to develop your resume for college applications and scholarships, what letters of recommendation are, and how to ask for them.
  - **Registration:** <https://forms.gle/Nsb13dz47z4c3gVj7>
- **College Essays** (5/15, 7-8pm EST) – Learn about ways to make your [Common Application](#) main and supplemental essays strong.
  - **Registration:** <https://forms.gle/aCVZGfLkmvoHE4Gt8>
- **College Financial Aid and the FAFSA** (05/18 7-8pm EST) – Learn about different types of financial aid, how to apply for them, and how to apply for college [scholarships](#).
  - **Registration:** <https://forms.gle/aYoPxyYZaFuBE7r26>
