Dear Parent/Guardian

We're excited for you and your child as they schedule for 9th grade classes at L'Anse Creuse High School – North! We are proud to offer four advanced-level core-courses for qualifying students. If your child is interested in taking an advanced-level course, he/she must complete their portion of the recommendation form on the back and submit to their current core teacher. Recommendation forms will be sent to High School – North for review and will help in the selection process for our incoming students. Upon acceptance, qualified students will receive a letter or email indicating that he/she is scheduled for the course.

Information about Advanced-Level Courses
Advanced-level courses (Honors or Advanced Placement) provide students with opportunities to engage in rigorous coursework and frequently extend beyond the expectations of the state standards. Teachers will require that students have a firm grasp of prerequisite knowledge and skills learned in the prior grade. Students in Honors courses are expected to be able to think and reason critically, work at an accelerated pace, demonstrate self-motivation, and interact responsibly with independent or collaborative tasks.

If you feel your child is a good fit for an advanced-level course, please complete the top portion of the Teacher Recommendation form and have your child submit to their teacher.

Thank you in advance for your help and cooperation, we look forward to meeting you in the fall!
