

# Mathematics

## Current Graduation Requirements for Mathematics

- All students are required to pass 4 years of mathematics to graduate from high school.
- All students must pass Algebra 2 to graduate from high school.

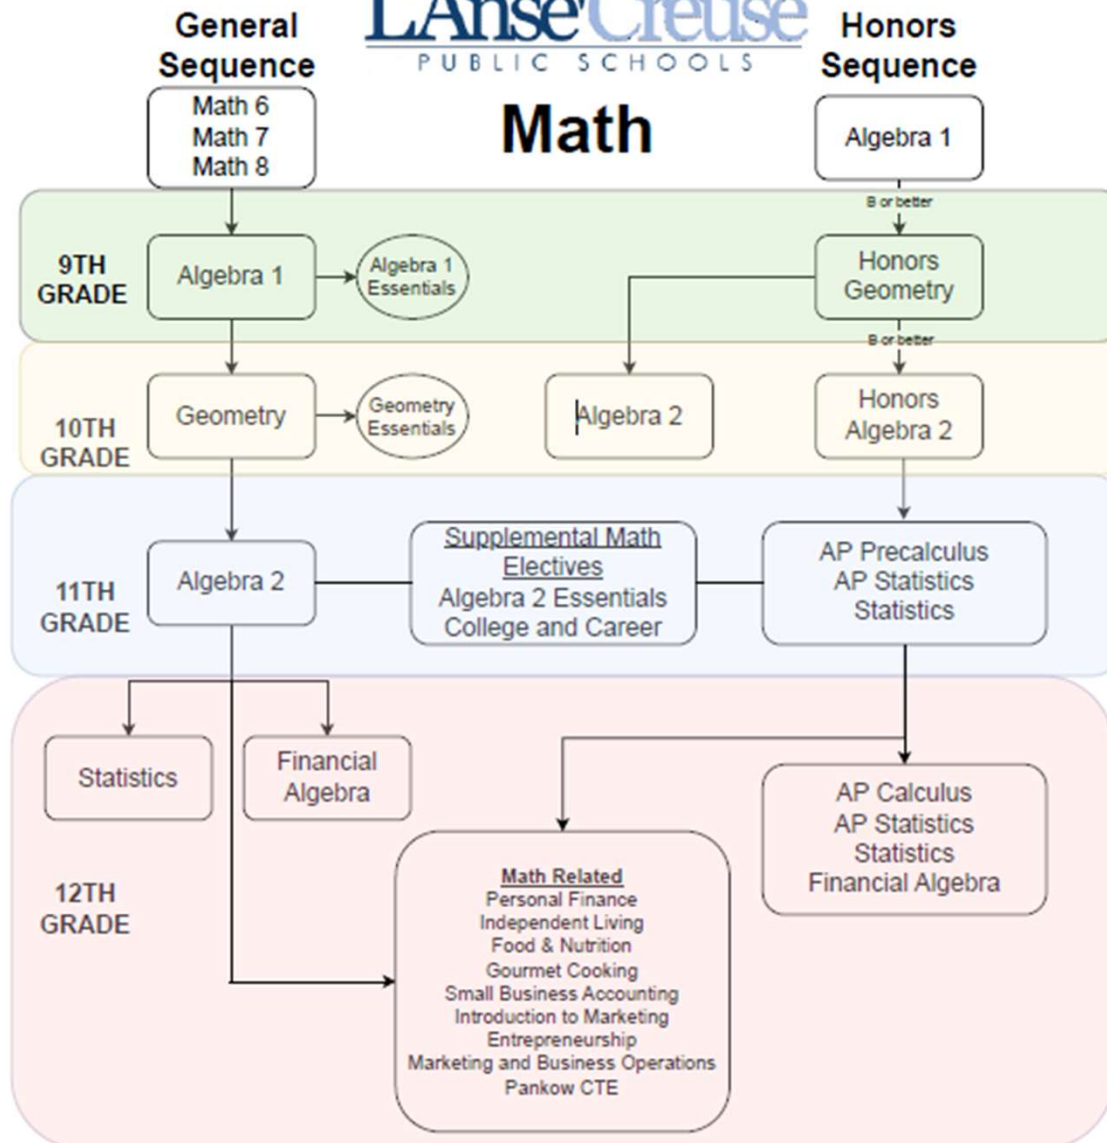

# 9<sup>th</sup> Grade Math Courses

\*Teacher Recommendation /Testing

# Essentials Course?

- Extra support in math
- Designed to fill gaps in learning
- Generally the same teacher
- Smaller class sizes
- Individualized instruction
- This is an ***elective*** class
- Course grade counts toward GPA
- Not a study hall
- Not a social hour
- For students who WANT the support

General course sequence for math courses.

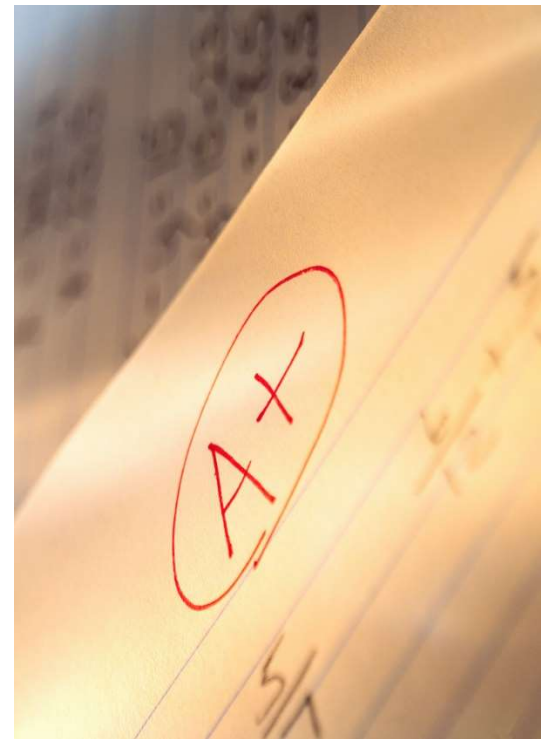

General to Honors sequence

AP classes

Math related
