

MSN Homework Club

Middle School - North is excited to announce that we have a Homework Club.

This program is an opportunity for students to get after school homework help from NHS students, with adult supervision after school every Wednesday, in the Cafeteria. Please note that **Homework Club is NOT a latch key program**. Students in attendance are expected to come with work, necessary supplies and be on their best behavior. Any student's behavior that violates the Student Code of Conduct will be held accountable to discipline.

When is Homework Club?

Beginning October 5th, Homework Club will take place as follows:

Wednesdays from 2:10-3:10 pm in the MSN Cafeteria

How Will My Child Get Home? Parents are responsible to pick students up **promptly at 3:10 pm**.

How can I have my child attend? Interested parents need to fill out this permission slip and deliver it to the main office. Your child may attend on an as-needed basis for the remainder of the school year. Students should only be in attendance when they need help on school work.

L'Anse Creuse Middle School - North After School Homework Club

My child, _____, has been given permission to attend Middle School - North Homework Club for the school year 22-23.

I understand that my child can attend as needed for the remainder of the year after school on Wednesdays. (Only one slip is needed for the entire school year).

I understand that transportation home is not provided, and I need to pick them up by 3:10."

Students will not be dismissed early unless the parent comes to the Cafeteria to sign their child out - NO EXCEPTIONS.
