Your new PowerSchool ID to access Unified Classroom is your lc-ps.org e-mail address. This address is comprised of your student ID number and the first three letters of your last name followed by @lc-ps.org (237864ALL@lc-ps.org). Next, create and enter your password. Click “Create PowerSchool ID.”

The screenshot shows a blue-themed form titled "Set Up Your New PowerSchool ID". Below the title, it says "Unified Classroom uses a new global PowerSchool ID. Please enter a new username and password." The form contains three input fields: "PowerSchool ID" (with a red "Required" label), "New Password" (with a red "Required" label and a "SHOW" link), and "Retype Password" (with a red "Required" label and a "SHOW" link).
