

FREE HEALTHY MEALS FOR KIDS

NEXT DATE: APRIL 22, 2020

SEE SCHEDULE BELOW

Due to the extension of the state mandated closure of public schools, L'Anse Creuse Public Schools will continue distributing Free Healthy Meals for Kids! Healthy meals will be provided for all kids up to 18 years old; and persons up to age 26 who are enrolled in an educational program for the mentally or physically disabled that is recognized by a State or local public educational agency may also participate in this program.

HERE'S HOW IT WORKS:

- There are no qualifications or registration. Food is provided for all children in the community, you do not need to qualify to receive meals.
- Food is curbside pickup and delivered to your vehicle when you arrive; there is no need to get out of your car. Just drive up during the two-hour time frame and let them know how many children you are picking up food for.
- Your children do not need to be present to receive food. If you have difficulty with transportation, feel free to have a neighbor or family member pick up food for you.
- Food will be provided every week through the end of the school year.
- If you need further assistance or information about receiving food for your children, please contact the L'Anse Creuse Food Service Department at 586-783-6550 ext. 1105 and leave a message.

The next food distribution will be on Wednesday, April 22nd and each student will receive healthy meals for one week.
