Principal's Message

I cannot believe it, but we are officially in the home stretch of the 2022-2023 school year! It doesn't seem so long ago that our students started this year's learning journey. This school year has certainly been very successful for all, and a much-deserved summer break will be here for everyone in just a few short weeks!

This school year has really felt like the "normal" school year we've wanted for the past couple of years! Through lots of hard work and collaboration, our school community—as students, staff and parents—have seen this school year through to its end, and have

emerged at the finish line smarter, stronger, better...and maybe just a tiny bit more exhausted...than ever, yet poised for greater success in the future!

Much has been accomplished throughout the 2022-2023 school year. These accomplishments would not be possible without the contributions of so many. I'd like to offer my gratitude and "Job well-done" to all of you! I'd like to thank our amazing Tenniswood Tiger students for all of their hard work and commitment to learning this school year. I'd like to thank our students'

parents for your commitment and support of your student's learning experiences, and supporting our staff along the way. Last, but certainly not least, I offer my praise and thanks to our incredible staff for their infinite professionalism, commitment and adaptability for the sake of our students, families and each other. I cannot express how grateful I am to all of you and how fortunate and proud I am to be a Tenniswood Tiger with each of you! I wish each and every one of you a very safe, relaxing, fun and rewarding summer! Enjoy!

Medications

The school year is coming to an end and we still have medications for many students here in the office.

If you have medication in the office (cough syrup, pain medication, inhaler, nebulizer, etc.) Please stop by the office to pick this up before June 14th. Any medications not picked up will be disposed of. We do NOT keep students medication for the following school year.

FIELD DAY is being held on Monday, June 5th! It takes a lot to make this day successful and we are counting on our parent volunteers to help out. If you are interested, please sign up below:

FIELD DAY SIGN UP SHEET

Also, just a reminder that this is a long day and is often hot and sunny. Please pack your student a water bottle, have them wear appropriate clothes and a hat and be sure to apply sunscreen at home before coming to school!
