

2021-22 Educational Goals

End of Year Report

Goal 1: By the end of the 2021-22 school year, each school and the district will show growth in reading/ELA achievement throughout the global pandemic as measured on NWEA Map Growth for Grade K-8 and local assessments for Grade 9 - 12.

All teachers will use a variety of strategies and assessments to support meaningful student progress towards mastery of reading/ELA academic standards. In reading/ELA, results from benchmark and local assessments will be continuously discussed and analyzed by staff.

Goal 2: By the end of the 2021-22 school year, each school and the district will show growth in mathematics achievement throughout the global pandemic as measured on NWEA Map Growth for Grade K-8 and local assessments for Grade 9 - 12.

All teachers will use a variety of strategies and assessments to support meaningful student progress towards mastery of math academic standards. In mathematics, results from benchmark and local assessments will be continuously discussed and analyzed by staff.
